3. GRANTOR hereby warrants and represents that the GRANTOR has no reason to believe that any hazardous waste, extremely hazardous waste, or hazardous substance (as those terms are defined in sections 25117, 25115, and 25316 of the California Health and Safety Code) has come to be located on, beneath or within any of the real property covered by the above referenced Deed or this Agreement. 5. Permission is hereby granted to COUNTY or its contractor to enter upon GRANTOR's land where necessary within that certain area titled Temporary Construction Easement on the maps marked Exhibit "A" attached hereto and made a part hereof, for the purpose of construction and construction support activities related to the Project including, but not limited to creek de-watering and the stockpiling of materials, soil, and equipment. At the termination of the Temporary Construction Easement, COUNTY will ensure that the real property included with the Temporary Construction Easement is returned to GRANTOR free of any debris, surplus construction materials, or hazardous materials created by COUNTY's Project. Failure by COUNTY to perform the clean up will result in GRANTOR implementing the clean up. Any expenses incurred by GRANTOR for such clean up will be paid by COUNTY.
